RIGHTNOW MEDIA – Those who have expressed a difficult time down-loading RightNow Media to your home computers, phone or tablets – we now have a simple solution. Please contact the Church office or Pastor Kevin for a quick fix!

ON-LINE GIVING – The Church is using a tool to assist people who want an electronic application for their financial offerings to Steele Memorial UMC. Download the Tithe.ly App from your on-line app store.

ECCHO: Although school plans may still be somewhat in question, ECCHO is planning on putting together some supplies for distribution. Their plan is to use many of the items left over from last year - **HOWEVER**, they are still in need of **Folders, Pencils, Highlighters, and Paper**. If you would like to help, you can drop off any purchased items at the church on Mondays or Thursdays (please call the church office for exact times that Lisa will be there) OR if you prefer, you can make a monetary donation (just mark your check/offering envelope ECCHO SCHOOL SUPPLIES). I know

that the folks at ECCHO will appreciate any assistance we are able to provide.

EMAIL PROBLEM: It has come to our attention that some are not receiving church email. We believe the error is on the receiving end of the correspondence. Some email servers are sending bulk emails to either spam or junk files in your email mailbox. A “quick” fix to this problem is to add the church email

address or “contact” to your VIP list. Follow this link for instructions on how to make this change.
