

Special thanks to Russ Witten and Denver Stevens for all they do upstairs in the sound booth.

Also, a big thank you to Lynette Call for overseeing the play portion of the cantata as well as accompanying the choir each week.

We trust that you have enjoyed tonight's presentation and hope that you've been ministered to by something far greater than music. The most important thing that you could take home tonight is a personal relationship with Jesus Christ. As much as we may enjoy it, music and the joy it brings to our hearts will fade and will leave us with the need for that appetite to be filled again and again. But God provides life everlasting that satisfies completely. If you haven't experienced His abundant life, why not make that choice today?

Admit our need for Christ (Romans 3:23 – For all have sinned and fall short of the Glory of God)

Believe that Jesus Christ is the only way for us to be reconciled to God (I Corinthians 15 – Christ died for our sins...He was buried...He was raised on the third day, according to the scriptures)

Confess Jesus Christ as our Savior (John 1:12 – But as many as received Him, to them He gave the right to become children of God, even to those who believe in His name)

If we can support you in your decision to accept Jesus Christ, please visit our weekly services or give our church office a call at 304-736-4583.

BRINGING CHRISTMAS HOME

A Story of Hope

This is a story of a journey to Christmas. It peers through the window of everyday life and touches us where we live. While it may be too late to change the circumstances along the way, we are reminded that there is still hope for a different end to the journey.

We invite you to come and experience the Bethlehem story - the story of a Savior who understands our pain and feels our heartache. He came not only offering healing and forgiveness, but redemption. It was His way of "Bringing Christmas Home."
